ORDERING INFORMATION & TERMS

July 2017

Dear Atlas Authorized Dealers and Distributors,

Welcome to the July 2017 Atlas ASMC dealer/distributor edition of product Announcements and Arrivals. The All Scales Monthly Catalog (ASMC)—represents the core of Atlas's unique marketing and sales strategy for authorized Atlas dealers and distributors.

All Atlas products are tooled prior to the announcement and offering of that product to the marketplace. In other words, Atlas researches and decides on a project, makes a significant commitment in product development resources and tooling dollars, and only then offers it to model railroaders.

Prior to the start of supplier production, Atlas announces to authorized dealers, distributors and e-subscribers that we are nearing final production. This notification comes in the form of Atlas' All Scales Monthly Catalog (ASMC) which focuses in on the current month's planned and specified announcements and allows dealers and distributors to place guaranteed pre-orders for those specific products by a given date.

The ASMC is widely distributed and shared with thousands of dedicated Atlas consumer fans in accordance with their scale preference. This distribution is accomplished through targeted electronic messaging as well as hard copy mailings and handouts at shows.
Atlas authorized dealers and distributors are also encouraged to distribute copies of these monthly catalogs to their own proprietary consumer lists, both physical and electronic.

July's edition of the ASMC is full of products that discerning HO, N and O modelers desire. A few of the highlights are announcements of the HO 53' Articulated Well Cars and Jindo/CIMC Containers. N and O scale modelers can stay cool this summer with releases of the Master Line Fishbelly Coal Hopper in both scales, as well as the N Trainman Ore Car and the O Trainman 52'6" Gondolas. You'll find all of those wonderful models and more inside, as well as arriving locomotives, rolling stock and track in all scales.

Sincerely,

Joe Kolnoski
Vice President of Sales

GOT TRACK?

(Don't let your fun get stopped short...)

ATLAS HAS PLENTY!

Whether you're finishing an existing layout, starting a new one, or just giving that trainset loop some extra pieces, Atlas has the 'right track' for you. The rugged plastic construction, nickel silver rail and U.S. prototype detail, assures longevity, maximum conductivity and accurate realism that guarantees your trains look good and keep running smoothly.

Atlas track provides industry leading **quality** at unequaled **value**, and our selection is so large we have an entire catalog devoted to it. HO and N scale track, in a variety of rail sizes, is fully stocked and ready to ship to you and your favorite Atlas authorized dealer now.

For more information, and the dealer nearest you, visit www.atlasrr.com, or call 1-800-872-2521 and request a catalog of your own. And remember...*You're on the right track, (and trains) ...with Atlas!*

PRODUCTREVIEWS

QUICKLOOK

HO scale Thrall triple 53-foot articulated well car

Manufacturer
Atlas Model Railroad Co.
378 Florence Avenue
Hillside, NJ 07205
atlasrr.com

Road names (five road numbers each): TTX (yellow and black), Pacer Stack Train (blue, white, and red), and undecorated.

Era: 2000 to present

Comments: This common Thrall articulated intermodal car is now available in HO scale from Atlas. The major dimensions of the model match those of the prototype listed in *The Official Railway Equipment Register* (January 2005).

Introduced in early 2000, Thrall's triple 53-foot articulated well car was designed to handle either 96" or 102" wide containers in 20-, 40-, 45-, 48- or 53-foot lengths. Each model car has three molded plastic wells labeled A, C, and B with a single brake wheel on the B end. The car is 205 scale feet long and has its air brake reservoirs and valves on the A and B wells.

Each well is detailed with side posts, etched-metal walkways, and formed wire grab irons and steps that match the specific prototypes. Pin holes in the floor secure the containers.

Our review sample was smoothly painted and covered with excellent printed lettering and loading data.

The car rides on four roller bearing trucks fitted with metal RP-25 wheelsets that are in gauge. Both ends have scale 33" wheels while the trucks at the articulated joints have 38" wheels. The three-unit car is free-rolling and will negotiate an 18" radius curve, but it looks better on 22" or larger curves.

The ends of the car have Accumate knuckle couplers body-mounted at the proper height. Two articulated joints mounted on top of the intermediate trucks connect the well platforms.

The model weighs only one ounce per well. Using the National Model Railroad Association's Recommended Practice formula of 1 ounce plus ½ ounce per inch of length, each well should weigh 4½ ounces. There isn't anywhere on the carbody to hide more weight, but the empty car didn't derail on our layout. However I'd suggest placing containers with 3½ ounces of weight in each well to make sure it tracks smoothly during operation.

Overall, this is an excellent model of a contemporary intermodal car. – *Jim Hediger, senior editor*

ATLAS' GOLDEN SPIKE CLUB

ATLAS' GOLDEN SPIKE CLUB

www.atlasrr.com/club.htm

Become a member of Atlas' Golden Spike Club! Don't delay – join today – memberships for 2017 are available now!

Sign-up online or download your application today at: www.atlasrr.com/club.htm or www.atlaso.com/club.htm For more information on membership, or to join, please contact Patricia Kimble, Golden Spike Club Coordinator at 908-687-0880 ext. 7122, or via email pkimble@atlasrr.com

THE BENEFITS

Club benefits for all members in all levels include:

- **Laminated membership card:** with member's name and number: The membership card features artwork that changes from year to year, highlighting the annual club car on its front.
- **Club lapel pin (New members only):** Wear it and let your friends know that you're a member of the Atlas Golden Spike Club with this pin, handsomely crafted and sporting the colorful logo.
- **Opportunity to Purchase "Members Only" Annual Club Car:** As a club member you will have the option to purchase exclusive members only annual club car(s).
- **Discounted Pricing on Club Offers:** As a club member, you will have the opportunity to purchase premium Atlas products at special Golden Spike Club pricing.
- **FREE mailing of Atlas Catalogs:** As part of your membership, you will receive new catalogs, mailed directly to you, before they're available at hobby shops and tradeshows. Each catalog includes the latest and greatest Atlas products available for pre-order and a listing of what will be showing up at your local hobby store.
- **Club newsletter:** Get the inside scoop on the latest club offerings and the stories behind them, as well as other special offers and more in this exclusive full color publication, mailed twice annually.
- **Special dedicated club section on the Atlas website:** See up to date pictures of the latest club offerings, download applications and order forms, get special offers and more! Check it out by visiting www.atlasrr.com and www.atlaso.com.
- **FREE Ground Shipping:** For any regular on-line orders shipped within the continental US.

Join Today! Download your application at **www.atlasrr.com/club.htm** or **www.atlaso.com/club.htm**
